

FILOLI ROSE LIST: ORANGE TO APRICOT

M. Richards

Marina

Filoli boasts 242 different varieties of roses throughout the formal gardens, with a strong representation of historic and period roses. For greater ease of reference, our rose lists are organized by ranges of color as defined by the American Rose Society (ARS). Unless otherwise noted, roses are listed here by their official ARS approved exhibition names. Names printed in bold type have shown exceptional

resistance to fungus and disease at this site, under Filoli's no-spray philosophy. Notable fragrant roses are also marked with 1, 2 and 3 asterisks according to the intensity of their fragrance.
