

FILOLI ROSE LIST: REDS

M. Richards

Cara Mia

Filoli boasts 242 different varieties of roses throughout the formal gardens, with a strong representation of historic and period roses. For greater ease of reference, we have arranged our rose lists by ranges of color as defined by the American Rose Society (ARS). Unless otherwise noted, roses are listed here by their official ARS approved exhibition names. Names printed in bold type have shown exceptional resistance to fungus and disease at this site, under Filoli's no-spray philosophy. Notable fragrant roses are marked with 1, 2 and 3 asterisks according to the intensity of their fragrance.

SPECIES / CULTIVAR	COLOR	LOCATION	BED
Alec's Red	mr	RG	L
Altissimo	mr	PG	North wall, east of center Walled Garden gate
American Pride	dr	RG	K, M
