

MATERIALS LIST

Calligraphy Workshop

Thursdays, September 30 through October 14, 2010
9:00 am – 12:00 pm

- Layout bond or Marker Pad, 11"x 14" (an alternative would be Claire Fontaine or Rhodia brand graph paper). *
- Dip pen - Speedball holder with Series C nibs (an alternative would be Brause nibs in a set). *
- Drawing board, (masonite or comparable material), bigger than 9"x12" as your tablet needs to fit on it. *
- Small ink holder such as the top of a water bottle that sits flat.
- A medium-sized jar with a lid to put your ink into after making it.
- A rag to wipe the pen.
- Gum Arabic in liquid or powder form. You can buy the powder form from the cake decorating aisle at Michaels Craft stores.
- A small hammer to pound oak galls into powder.
- A Ziploc bag to put the powdered oak galls in to take home.

* These supplies can be found at Accent Arts, University Art and Michaels.
