

BOTANICAL ART CERTIFICATE PROGRAM ENROLLMENT FORM

The Filoli Botanical Art Program will offer a unique in-depth study of botanical art through a challenging, integrated and comprehensive curriculum. The curriculum will include the systematic study of artistic skills and concepts, basic botany and botanical art history. While the primary medium will be watercolor, a variety of other medium classes will be included in the course offerings. Additionally, 'enrichment classes' such as matting and framing and portfolio presentation will be available. This program is for the serious student who wishes to develop his/her knowledge and skills of botanical art. A certificate of completion will be presented upon successful completion of coursework (approximately 180 hours) and presentation of a portfolio and final project.

For more information about the program including a 2008 program schedule please go to our web site, www.filoli.org, Education page.
